

Make Me Smile

Small parking garages
French restaurants
Two dogs in an apartment
Expensive coffee
Days of painting
Hopping in the driver's seat
You can't hold the door for me
Never good at accepting niceties
Late night in New York City
Before you really knew me
Love these random memories
Dancing downtown Littleton
Gin and tonic
Long Island iced tea
Forever my favorite drinks
Tell me where to meet
Pick you up at your parent's
Wink at me
Tell me I'm out of your league
Absinthe bar in Breckenridge
Two bottles of wine in the fridge
Your sister not much of a fan
The start of my record collection
Unresolved feelings
These random memories
They make me smile
